In the afternoon a number of married women pour tea, and everything is very gay when the men return from the hunt or around the golf links. Informal supper parties are given every week, and the club house is one of the few really gay places during the Lenten season.

There will be the usual Saturday afternoon reception and hop at the Hermitage Golf Club this afternoon.

A STORY OF LONG SUFFERING

As Told by Indiana Lady and How a Deliverance Was Effected at the Eleventh Hour.

Alfordsville, Ind.—In a letter from this place Mrs. Vada Street says: "For over eight years I suffered from almost every ailment known to my sex.

I would have such severe pains in my back every month that I would be in bed two or three days.

At such times I would be so nervous that I could hardly stand any one to walk across the floor.

I tried a lot of different medicines, but nothing I ever tried did me so much good as Cardui, the woman's tonic.

I have taken three bottles of Cardui, and the last three months I haven't suffered any pain at all, and I do not have those awful nervous spells.

Had I only known of this wonderful medicine eight years ago I could have saved many dollars and days of pain and sorrow.

I advise every woman who has the least symptom of womanly trouble to take Cardui."

Lady Reader, have you any of these symptoms? If so, we urge you, as Mrs. Street does, to give Cardui a trial.

It is composed of purely vegetable ingredients—and can do you no harm. It is almost sure to do you good.

Your druggist sells it. Try it to-day.
